In the reference read above, the Director, Handlooms and Textiles and Commissioner and Development for Apparel Export Parks, Andhra Pradesh, Hyderabad has stated that the Office of the Director, Handlooms and Textiles and Commissioner and Development for Apparel Export Parks, Andhra Pradesh, Hyderabad is situated at 4th & 5th Floor, 'C' Block in Burugala Ramakrishna Rao Government Building. The building is very old and the electrical wiring to the said building is in a complicated condition. Further, due to computerization in the Office, every section is provided with a computer, besides (3) Xerox Machines, Air Conditioners and several other expensive electrical items. Recently the Meeting Hall in the Head Office has also been renovated with Sound System and Projector along with Air Conditioners, which all needs constant monitoring and any failure in electricity due to complicated wiring will lead to short circuit which needs to be avoided. Further, due to constant power shutdown, number of Bulbs, Tube lights, Fans etc are getting out of order and much expenditure is being incurred on replacing them and also in hiring private electricians to solve the problems. Hence, there is an imminent need to have an efficient skilled worker (Electrician) to have constant monitoring of all the electrical items in the Head Office and also to attend and repair the wiring problems. Further, the R&B Department, which earlier used to pay the electricity bills as a whole for the Office building has segregated the electric connection and separate current meters were allotted to each Department and the current bills of every month is being paid from the concerned Departmental budget only. Thereafter, the R&B Department is only looking after the maintenance of the building as a whole and attending the major issues relating to the building. Whereas the day to day issues relating to malfunction of electronic items due to wiring problem, extension of wiring, repair to fans, coolers, and air conditioners and maintenance of sound systems, lighting, Projector, etc, and other electrical work in the Office is being attended by an Electrician hired by the Department, and much expenditure is being incurred towards the above items from the Department budget, thus there is every need to hire the services of one Electrician on contract basis for the Office of the Director of Handlooms and Textiles and Development Commissioner for Apparel Export Parks, Andhra Pradesh, Hyderabad to rectify the electronic problems instantly.
